

Steel Valley High School is partnering with three large local corporations to offer a career readiness program to empower you to enter and thrive in a job market in need of your skills.

The program will equip students with the skills & knowledge needed to apply for an **entry-level position immediately after graduation!** Positions include Teller at a bank, Patient Access Coordinator at a hospital, Package Handler at a Delivery Service and more!! Starting salaries range from \$11-\$15 an hour and many include medical, retirement and tuition reimbursement benefits.

Topics Covered to Include:

- Professional Skill Building
- Understanding your strengths and how to use them in work
- Professional Resume Reviews
- Mock Interviews
- Professional Communication
- Personal Branding
- Social Media Presence and more!

Commit to 4 Sessions throughout the spring to gain employer feedback and preparation for careers!
